Brief Description of Argument to be Presented:

The Examiner's application of a "broad reasonable interpretation" standard to a prior art reference

(i.e., US 6,529,909) when rejecting Claim 17 under 35 USC 102(e) is not correct. The "broad reasonable interpretation" standard should be applied to claim interpretation only and not to prior art interpretation.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
